

Reconciliation House Inc.
Fun in the Son Camp
July 27-29, 2018
What a difference three days can make

Enter a world of adventure with incredible experiences you'll remember for a lifetime... the twang of the bow string, the splash in the pool, camping under the stars. When you think of camp you're imagining a setting like that of Middle Georgia's Reconciliation House Fun in the Son where youth have the chance to strive and succeed. From a dive in movie, to a concert on the lawn, fishing, sports, bible lessons in nature, school supply give away, and lots of food. Fun in the Son is summer camp at its best!

Since we welcomed our first camper in 2004 the Fun in the Son camp has opened a world of possibilities for forgiveness and reconciliation

Our camp enables 12-18 year olds to learn through, discovery and grow through experience. Campers take home increased confidence and leadership abilities, better problem-solving skills, and friendships that last a lifetime.

Through their camp experience, they gain a sense of community, shared values, contribution, commitment, and compassion. On a hike, they connect with the nature world in which they live, without the influence of computers, television, cell phones and other electronic devices. They experience growth by taking healthy risks and stepping outside their comfort zones.

Fun in the Son notice of interest must complete application available on line at www.reconciliationhouse.org			
Camper's Name:			
Age	Date of Birth	Gender	
Current Address:			
City:		State:	Zip Code
